Auditory Activity No. 34 Transcript

You will need only your writing pencils today. This looks [illegible], doesn't it? A crossword!

But, wait a minute! How can we use the picture clues to know the right boxes to write the words in? ……
There are no numbers next to the pictures!!!

Well …. I will help you!!!

- Listen carefully as I tell you a clue for each number. Find the picture that I am talking about.
- Write the number that I say, beside the picture.
- Then, find the same number in the puzzle. That will be in the box to write the first letter for the word.
  Then, write the other letters in the other empty boxes next to it, that are in a straight line.
- You will have to listen to see if the word goes down the page OR across the page.

Let's try the first one.
Are you ready?

I am thinking of something which is shaped like a box. All of its sides are the same size. Can you find the picture?
The word I want has a [k] sound and it starts with the sound [k]. Have you found that picture?
Write no. 1 next to the picture.
Now find the box with no. 1. The word will go down the page.
Do you know what it is? It is [k]ue-b. Write the answer in the boxes.

Now, let's try the next one. This one will be easier.
I am thinking of something that we do on one leg. That's right! You've found it already!
Write no. 2 beside the picture and find the no. 2 in the empty boxes.
This time it goes across the page.
Write the word in the boxes, telling what we can do on one leg.

Next, no.3 down. Can you find the picture that is really a lolly to eat?
Some people hang them on their Christmas tree.
Write no. 3 beside the picture and find the no. 3 in the empty boxes.
Write the word for one of these in the boxes. It is a candy ___.

No. 4 down, again. This is another name for an old house.
Write no. 4 beside the picture and find the no. 4 in the empty boxes.
Think of the word *track*. Take away the [t-r] sounds at the beginning of the word and put the sound [sh] instead.
Write the new word in the boxes, telling another name for an old house.

If you have trouble thinking of any of the words, leave it till the end. Some of the letters that you need might be written in by writing the other words. This might give you extra clues.
